#### **Description:**

More than just an anthology, *Aproximaciones al estudio de la literatura hispánica* is an introduction to literary analysis with readings from Spanish and Spanish-American literature. Organized by the four genres of prose, poetry, drama, and the essay, the text provides a rich and diverse array of

reading selections. Each section is accompanied by an introduction to the genre, and each reading includes a wealth of exercises that help students gain an understanding and appreciation of literature from the Spanish-speaking world.
