Nimali Fernando MD MPH, Melanie Potock MA CCC-SLP - pdf download free book

How to Raise a Healthy, Adventurous Eater (in a Chicken-Nugget World)

Pediatrician Nimali Fernando and feeding therapist Melanie Potock take Dr. Yum and Coach Mel's advice on the importance of giving your child the right start on his or her food journey—for good health, motor skills, and even cognitive and emotional development. In *Raising a Healthy, Happy Eater* they explain how to expand your family's food horizons, avoid the sticky eating traps, identify useful feeding cues, and put joy back into mealtimes, with:

- Advice tailored to every stage from newborn through teenage age
- Real-life stories of parents and kids they have helped
- Wisdom from cultures across the globe on how to feed kids
- Helpful insights on the sensory system, difficult mealtime behaviors, and everything from baby-led weaning to baby cues
- And seven "passport stamps" for good parenting: joyful, compassionate, stress-free, consistent, proactive, and mindful.

Raising a Healthy, Happy Eater shows the way to lead your baby, toddler, or young child on the path to adventurous eating. Grab your passport and go!

"This is hands-down the best book available on how to help kids become courageous eaters."
—DREW WEISS, author of *Safety Planning: Outrage and Healing of Family & Society*

Description:

How to Raise a Healthy, Adventurous Eater (in a Chicken-Nugget World)

Pediatrician Nimali Fernando and feeding therapist Melanie Potock (aka Dr. Yum and Coach Mel) know the importance of giving your child the right start on his or her food journey—for good health, motor skills, and even cognitive and emotional development. In *Raising a Healthy, Happy Eater* they explain how to expand your family's food horizons, avoid the picky eater trap, identify special feeding needs, and put joy back into mealtimes, with:

- Advice tailored to every stage from newborn through school-age
- Real-life stories of parents and kids they have helped
- Wisdom from cultures across the globe on how to feed kids
- Helpful insights on the sensory system, difficult mealtime behaviors, and everything from baby-led weaning to sippy cups
- And seven “passport stamps” for good parenting: joyful, compassionate, brave, patient, consistent, proactive, and mindful.

Raising a Healthy, Happy Eater shows the way to lead your baby, toddler, or young child on the path to adventurous eating. Grab your passport and go!
