#### Description:

**About the Author Gordon McComb** has written more than 60 books and thousands of magazine articles—more than a million copies of his books are in print, in more than a dozen languages. Gordon has been called "The father of hobby robotics" by *MAKE Magazine*. For 13 years, he wrote a weekly syndicated newspaper column on computers, which reached several million readers worldwide. Gordon is still a regular contributor to *SERVO Magazine*, and most recently completed seven years as writer of their popular Robotics Resources column.
