Description:

Review "I love that Ally Thomas doesn't just continue the tradition of recycling the usual story of a vampire- which authors have been doing. since Stoker in 1897. Ally created a strong likeable female vampire that is bright, witty and completely loyal to her friends that she loves, whether in person or in a chat room." -charlene L. at Amazon

"I loved this book. It had humor, romance and fun. It also has some tragedy and suspense. I can hardly wait for the next book in this series!!!" -rosebud8 at Amazon

"The first two books of the Vampire from Hell series were amazing and this one is no different. The author of these books does an awesome job of bringing her characters to life. I'm a very visual

person and I can picture everything in my head as I read. Great job Ally." -Ravizee at Amazon
